

- The most applicable LLLT for home therapy.
- The hand-free & mobile LLLT device with multiple lasers.

Aculas-HB5

Laser Wrap

- ◇ Multiple channel LLLT device
- ◇ Advanced integrated circuit designed by Konftec with **automatic power control (APC)** to maintain the specific power output.
- ◇ Choices of multiple points or area treatment
- ◇ **Cordless operation**
- ◇ Equipped with the industrial grade laser diodes and modules
- ◇ 60 °C high temperature operation durability

Model No.	Laser Wrap	Laser Module		Total Laser Power Output	Recommended Applications
		660 nm	780 nm		
		50 mW	50 mW		
HB-510A3			3	150 mW	Pain Management Laser Acupuncture
HB-510A4			4	200 mW	
HB-510A5			5	250 mW	
HB-510B5		5		250 mW	Body Contouring Cellulite Reduction Skin Tightening
HB-510C1		1	1	100 mW	TLBI Transcutaneous Laser Blood Irradiation
